| a. Approaches for 2024 Tournament and Presentation Day and Race Night/Quiz: Tournament 11/12 May at NMFC. 15 June Presentation Day. Tentative 29 June Race Night. Plans to be developed for these events over the coming months. | |
| b. U10's: Resignation from Yellows coaches received. Our priority is to maintain the team and make arrangements for this to happen. Different scenarios are being explored, which have been previously used successfully. We will start the process to recruit new coaches to enable the team to continue to play. It was noted that in the medium term, the Yellows will merge with the Blacks into one team. | |
| c. SMJFL Cup Finals: potential for us to host 5 x end of season finals on Ollersett. It was agreed to accept this opportunity and explore dates with the league. Post meeting note: we are unable to host this event due to lack of welfare facilities at Ollersett. | |
| d. Floodlights: a quality control issue has been identified and will be rectified by the supplier. In light of our current training arrangements and imminent clock change at the end of March, it was agreed that we would wait until the end of April for replacements. It was noted that the supplier will receive new stock at this team, meaning we will get brand new replacements by taking this approach. | |
